AN ABSOLUTE CUR TESTIMONY. The Cashier of the First National Bank, Troy The Cashier of the First National Bank, Troy Ohio, says:

Thor, O., December 33th, 1879

Ph. Bosando Main due Co., Figurs, O.:

Gentlemen:—I was troubled with Bheumatism last spring in the a use form so badly that I was unable to use my hand. Through the recommendations of my friends, I was induced to try your liberantic Cure, which immediately began to soothe, confort and allay the pain, and in a short time I was relieved of this distressing disease. I take gr at pleasure in recommending this whiluable renedy to those similarly affected.

Yours respectfully, JNO, L. MEREDITH.

These remedes speak for themselves. To try them is to be cured. If you cannot get them of your Druccist, by romitting us \$3.00 we will send you four a the of the Bheumatic Cure, or six of the rile Rumedy, by express prepaid. Give plain directions for shipping.

2 00 ted, that he must have ted, that he must have killed at least 600 or 700 different snakes. How wide the army of anakes Uncle Ben does not know, as on emerging from the main body of them 50a3 00 he was so exhausted by his superhuman exertions and overcome with poison which he had inhaled in forc-

ing his way through the snakes that he did not remain to investigate. 1 10al 40 caping with his life, he did not wait to investigate the wonderful collection, but hastened home at the fastest gait he could command. In relating the memorable adventure. Uncle Per not seem to be seen to be se Thinking himself very lucky in esmembers of seeing a monster snake which he thinks was the king of the whole assemblage. He says his snakewhole assemblage. The tays his shaded ship's body was as large as a man's strick, and the length in proportion.

Uncle Ben is of the opinion the snakes had but lately come out of their dens among the rocks, and the immense among the rocks, and the immense JAMES K. ISH. Agent for Nebrash number in so small an area of ground, which he estimated at about twenty acres, was owing to a general consultation or gathering before their annual spreading out over the land. He thinks there are many

thousands of the snakes, about onefourth being rattlesnakes and copper-heads. We have often heard of several rattlesnake dens, where, at cer-tain seasons of the year, immense numbers of these venomous reptiles can be killed, but the above adventure Free of Cost.

DR. King's New Discovery for Consumption. Coughs and Colds, account, or feel like visiting one of

Dr. King's New Discovery for Consumption, Coughs and Colds, Asthma, Bronchitis, etc., is given away in trial bottles free of cost to the afflicted. If you have a bad cough, cold, difficulty of breathing, hoarseness or any affection of the throat or lungs by all means give this wonderful remedy a trial. As you value your existence you cannot afford to let this opportunity pass. We could not afford, and would not give that remedy away unless we knew it would accomplish what we claim for it. Thousands of hopeless cases have already been completely cured by it. There is no medicine in the world that will cure one-half the cases that Dr. King's New Discovery

A High Horse. From the New York Tribune.

There arrived in this city yesterday by way of the Hudson River Rallway from Albany, and was conveyed directly to his quarters in Houston street, what is believed to be the lar-Mrs. Meeks, of Yorkville, New York, writes: It affords me great piessure to write these few lines to let the public know the value of Anakesis, the great External Pile Remedy. I have suffered the last 14 years everything but death; in that time I have spent hundreds of dollars. I have tried everything I ever heard of, I have had four different doctors, but found every little relief. I at last heard of Anakesis; I tried them and in one hour's time I found relief and have not been troubled with them since. How can I express my thanks to you? No tongue can praise them too highly, and I would say to all those who are afflicted with Piles, Hemorrhoids or fissures, internal or external, give Anakesis a trial and you will no longer be a sufferer. gest horse that has ever fallen under the eye of anatomist or jockey—a ver-itable equine monster—besides which animals of the ordinary height are as dwarfs. The animal was bred in Ohio, from our native draught stock, and certainly no region except one of the limestone bases could have developed such an enormous equine anatomy. His registered height is twenty hands and one inch, or eightyinches, being a foot

Samples of "Anakesis" are sent free to all sufferers on application to P. Neustaedter & Co, Box 4946, New York. Sold by all Druggists. taller than an average man. His weight is stated to be 2450 pounds; but all these points will probably be verified to day by com-And when was it ever otherwise? The petent veterinary surgeons. As standing in the stable, the color of the anioldest man cannot remember. People are grumblers—all grumble—min—ing in the stable, the color of the anisters and laymen comlain. Well, then; "time are dull, and money is tight," but haven't you got enough to although extraordinary, is altogether unprecedented in horses. At the Cenbuy a bottle of SOZODONT, to keep tennial Exhibition in Philadelphia, in 1876, a span of horses was placed on exhibition, each of which was 18 hands and 1 inch high. The animals were bred in Canada, and became the property of a Philadelphia brewer when the Exhibition closed. A veterinary ng to SPALDING'S GLUE. That's the surgeon in this city formerly owned horse that was 19 hands and 1 inch high—a giant in anatomical structure
—but he found it impossible to correct a certain tendency to emaciation, and the creature was useless for draught or road. The late Pope Pio None was the fortunate possessor of one of the largest horses in Europe—an animal 18 hands and 1 inch high—and the Hannyerian stables formerly contained another of search squal height. So far assess to judged the Ohio monster is in perfect health and physical condition, and may live to a good old age, notwithstanding his ab-

normal proportions. One of the famous European animals mentioned was living at 36 years of age—a long-evity not often attained by horses.

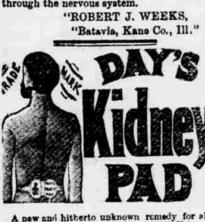

A Waps's Strategy. pleasant town, lives an honest old German farmer, whom we will call Uncle Ben. Having been well acquainted with Uncle Ben for several inch or two of the nest, on the side years, we can vouch for his truth and veracity in all other things, and of course we are well satisfied that his account of his thrilling adventure short of it, and for a moment remained among the serpents is also true and perfectly quiet. Then, reaching out not overdrawn. Uncle Ben says that one of his antennæ, he wiggled it beone hot day in June, not many years ago, he started out to hunt his cattle that had strayed away from home. for the boss of the nest, as large a township, which is sparsely settled, it to rights. No sooner had the spider he came to a wild section of country near a stream which empties into was at worst disadvantage, than the

place. There was a hundred acres or more of wild, broken ground strewn with small rocks and bowlders, while among the rocks grew tangled bushes, the part of the wasp, and when there was no raponse from the inside he became satisfied, probably that he held est and most picturesque sections it the fort. At all events, he proceeded was our Uncle Ben's good or ill forto enter the nest and slaughter the young spiders, which were afterward lugged off one at a time.

III THOMAS OIL WORTH ITS WEIGHT IN GOLD

A. H. Gargo, Manufacturer of Mowing Machines, Trumansburg, N. Y., says: My thumb was caught in a machine and was bedly injured. I applied Eclectric Oil with a most instant re-

was caugat in a macine and a most instant relief. I have a large number of men employed and nearly every one of them uses it.

M. Sherman, of Oscoda, Mich., writes: I have used your Eclectric Oil on horses for different diseases, and found it to do just as you recommended. It has done justice for me every time, and is the best Oil for man and beast, I ever used.

used.
See what the medical faculty say: Dr. J.
Braudon, Hull, P. Q., says: I have never sold
a medicine which has given more thorough
satisfaction. I have used it in my own case, on
a proken leg and dislocated ankle, with the best

Put up in Quart Size Bottles, giving More for the money than any article in the market. CAUTION. --- DON'T BE DECEIVED by unprincipled dealers who try to palm off upon von
common Rock and Rye in place of our TOLU ROCK and RYE, which is the
only MEDICATED article made, the GENUINE naving a GGVERNMENT STAMP on each bettle.

Extract from Report of the Commissioner of Internal Revenue: TREASURY DEPARTMENT, OFFICE OF INTERNAL REVENUE, &

Washington, D. C., J. nuary 26, 1880 Westers. LAWRENCE & MARTIN, 1111 Madison St., Chicago, 11 s.: GENTLEMEN: This compound, in the opinion of this office, would have a sufficient quantity of the BALSAM OF TOLU to give it all the advantages ascrited to this article in pectoral complaints, while the whisky and the syrup constitute an emulsion rendering it an agreeable remedy to the patient. Compounded according to the formula, it may be perfy the classed as a MEDICINAL PREPARATION under the provinces of U. S. R vised Statetes, and when so stamped, may be sold by Druggists, Apotheceries and Other Persons without r addring them liable to pay special tax as liquer dealers.

LAWRENCE & MARTIN, Proprietors, Chicago, Ills.
